Promoting the Wise Use of Land • Helping to Build Great Communities

WEEKLY REPORT OF ENVIRONMENTAL DOCUMENTS AVAILABLE FOR REVIEW

The purpose of the environmental review process is to provide information about the environmental effects of the actions and decisions made by the County, so that environmental considerations become a part of the decision making process. The following is a summary of the most recent determinations made by the County's Environmental Coordinator. The purpose of this listing is to notify the public of pending actions, which may affect the environment of San Luis Obispo County.

You are invited to participate in this process by reviewing and providing comments on the recommendations of the Environmental Coordinator. Your comments should be in writing and should be delivered to: **Ellen Carroll, Environmental Coordinator, Department of Planning and Building, 976 Osos Street, Room 300, San Luis Obispo, Ca 93408-2040.** For more information about the environmental review process, please write to the address above, call the Environmental Division of the Department of Planning and Building at (805) 781-5600, or review the environmental determination and other information on our website located at www.sloplanning.org.

Proposed Negative Declarations

A Negative Declaration is issued for projects that would not result in significant effects on the environment. In many cases, the project applicant has added mitigation measures to the project to reduce environmental impacts in order to qualify for a Negative Declaration. If you disagree with the issuance of a proposed Negative Declaration, you may provide comments or file a Request for Review (appeal) of the Negative Declaration. Requests for Review must be filed within two weeks of the date that the proposed Negative Declaration is posted and must address only environmental issues. There is a fee for the request. If you would like more information about this process, please contact the Environmental Coordinator.

For Week of January 31, 2013

San Luis Bay Area

Oceano Drainage Project. Request by San Luis Obispo County Public Works for a Development Plan/Conditional Use Permit/Coastal Development Permit to construct new storm drain improvements to alleviate existing drainage issues which will result in the disturbance of approximately 14.4 acres and 12,500 cubic yards of cut and fill. The proposed project includes improvements within County and State Right of Way and on private property. The project is located alongside State Highway 1 in Oceano, beginning at the intersection of Paso Robles Street and Highway 1 and terminating approximately 1,250 feet to the southwest at Arroyo Grande Creek, in the San Luis Bay Coastal and Inland planning areas. ED11-173 (DRC2012-00044)
